

The Spiritual Lifting

I call upon the Band of Mercy to please remove all lost souls, unclean spirits, negative thought forms, elementals, unnamed energies and influences that may be attached, affecting or manipulating myself, my mate, my family, my pets, my house(s) and properties, and all that I have domain over. Please place them in the appropriate protected sanctuary or do whatever you deem necessary. I ask this now in the name of Shekinah Shaddai and I thank thee.

I call upon the Cyber-Matrix Band of Mercy to please remove all negative and malicious entities, energies, influences, programs and viruses that may be attached, affecting or manipulating all mobile devices, phones, computers, game systems, televisions and all internet pathways associated with myself, my mate, my family, my pets, my house(s) and properties, and all that I have domain over. Please place them in the appropriate protected sanctuary or do whatever you deem necessary. I ask this now in the name of Shekinah Shaddai and I thank thee.

I call upon all appropriate Archangels and/or Angels and their legions from the appropriate realms and counter realms to please remove all inhuman spirits, negative beings, demonic entities, energies and influences that may attached, affecting or manipulating myself, my mate, my family, my pets, my house(s) and properties, and all that I have domain over. Please place them in the appropriate protected sanctuary or do whatever you deem necessary. I ask this now in the name of Shekinah Shaddai and I thank thee.

I now call upon the Light of the Shekinah Shaddai to please bless and protect myself, my mate, my family, my pets, my house(s) and properties, and all that I have domain over in whatever way deemed appropriate and I thank thee.
